

B.S., HEALTH SCIENCE

DIRECT-ENTRY PHYSICIAN ASSISTANT STUDIES

WHY CHOOSE HEALTH SCIENCE WITH DIRECT-ENTRY PA STUDIES?

USJ's interdisciplinary undergraduate program provides motivated students, who meet progression standards, with a direct track to the University's graduate Physician Assistant (PA) Studies program. With the employment of physician assistants projected to grow 30% from 2014-2024*, USJ's streamlined program allows students to complete their education efficiently and enter the field successfully.

*According to the Bureau of Labor Statistics

Seven-semester Direct-Entry PA track

Research and internship experiences available

Focused preparation for earning an MSPAS

CAREER OPPORTUNITIES

Undergraduate students in USJ's program build the foundation necessary to earn an advanced degree and begin a thriving career in a number of areas, including:

- » Primary Care
- » Family Medicine
- » Emergency Medicine
- » Surgery
- » Psychiatry

UNIVERSITY OF
SAINT JOSEPH
CONNECTICUT

LOCATION AND CAMPUS FEATURES

» 90-acre campus in West Hartford, CT

Located minutes from Blue Back Square – a vibrant shopping and dining district midway between Boston and New York City

» The O'Connell Athletic Center

Houses a pool, indoor track, athletic training room, and newly-renovated fitness center

» Art Museum, USJ

With more than 2,000 transformative art displays, ours is one of the most sought-after campus museums in Connecticut

» Autorino Center for the Arts and Humanities

An award-winning arts center that features first-class performances in the beautiful Hoffman Auditorium

ACADEMIC DISTINCTIVENESS

As Health Science majors, students combine coursework, internships, and other experiential learning, preparing them to:

- » Stand out in a competitive field
- » Improve communities with a knowledge of public health issues and health promotion strategies
- » Utilize analytical skills for research and evaluation
