

B.S. IN NURSING

WHY CHOOSE NURSING?

In USJ's nationally-recognized Nursing program, students learn on campus, in a state-of-the-art simulation laboratory, and at clinical placements throughout the region. With opportunities to join the Student Nurses' Association, the Iota Upsilon-at-Large Chapter, and the Sigma Theta Tau International Honor Society, students graduate with meaningful experiences both in and out of the classroom.

Over 60 years
of graduating
successful nurses

Accredited by the
Commission on
Collegiate Nursing
Education (CCNE)

CAREER OPPORTUNITIES

Through USJ's program, graduates are prepared to pursue advanced degrees and enter the health care field in a variety of roles, including:

- » Nurse Practitioner
- » Advanced Practice Registered Nurse (APRN)
- » Clinical Nurse Specialist (CNS)
- » Nurse Anesthetist (CRNA)
- » Nurse Educator
- » Caregiver

Opportunities for clinical
experiences in leading
health care agencies

LOCATION AND CAMPUS FEATURES

» 90-acre campus in West Hartford, CT

Located minutes from Blue Back Square – a vibrant shopping and dining district midway between Boston and New York City

» The O'Connell Athletic Center

Houses a pool, indoor track, athletic training room, and newly-renovated fitness center

» Art Museum, USJ

With more than 2,000 transformative art displays, ours is one of the most sought-after campus museums in Connecticut

» Autorino Center for the Arts and Humanities

An award-winning arts center that features first-class performances in the beautiful Hoffman Auditorium

ACADEMIC DISTINCTIVENESS

As Nursing majors, students combine coursework, clinical rotations, and experiential learning, preparing them to:

- » Provide holistic care for the community
- » Implement an evidence-based and theoretically-guided framework for nursing practice
- » Effectively collaborate with health care team members to advocate for high-quality patient care
